Outstanding Financial Obligations:

If you are not current on any outstanding balance, the School will not release the diploma or official transcript, and will not allow the student to participate in the graduation ceremony. However, there are two exceptions to this policy: transcripts may be released for a student to document eligibility to sit for a licensing, certification or registry exam; or if the transcript is to be released directly to a potential/current employer. In these cases, a separate fee and/or payment toward the student’s outstanding account balance will be required. The student accounts department will be able to assist you, please call 412-281-2600 or email the Director of Student Accounts, Lisa Kosko at: lkosko@pci.edu.

Diplomas:

At this time, we do not issue duplicate diplomas.

Enrollment Verifications:

All verifications must be faxed, along with applicable applicant releases, to 412-209-0328. Verifications are completed every Wednesday. Please make sure to have faxes sent by 2pm on Tuesday for next day fulfillment.

Due to the volume of verification requests received each week, we are unable to verify receipt of a fax.
