POLICY STATEMENT

In accordance with the requirements of the Drug-Free Schools and Communities Act of 1989 (Public Law 101-226), and the Drug-Free Workplace Act of 1988 (Public Law 101-690), our school provides all students and employees with the following information concerning school policies and the consequences of the manufacture, distribution, possession, or use of illicit drugs or alcohol.

Students and employees are prohibited from unlawfully manufacturing, distributing, possessing, or using illicit drugs or alcohol while on school property or participating in any school activity. Violation of this policy will subject students or employees to disciplinary action up to and including expulsion or termination from employment. In addition, violation may result in local, state, and/or federal criminal charges.

POLICY DISSEMINATION

All new students receive the Drug Abuse and Prevention Policy during the enrollment process. Current students receive an updated copy to their PCI email address each June. Students may obtain a hard copy at the front desk, the Library, or the Office of the President.

SCHOOL SANCTIONS

The President has full power and authority to prescribe rules and regulations to govern student life and to take emergency measures to protect the health and safety of students and/or school employees. The President and/or Dean of Education have responsibility for administering discipline regarding student conduct, which will be exercised through the established procedures stated below.

Every student is subject to federal and state law and respective county and city ordinances. The conviction of a student for any criminal offense which interferes with the orderly operation of Pittsburgh Career Institute, or which the administration feels would endanger members of the campus community, shall be subject to disciplinary action.

The following section describes sanctions available in response to violations of any Code of Conduct that applies to students. The listing is not inclusive of all options which the Institution may choose to exercise, and the institution may impose more than one sanction for one act of misconduct:

1. Reprimand: A written or verbal communication which gives official notice to the Student that any subsequent offense against a Code of Conduct may carry heavier penalties because of this prior infraction.
2. General Probation: An individual may be placed on General Probation when involved in a minor disciplinary offense; General Probation has two (2) important implications: the individual is given a chance to show capability and willingness to observe the Student Code of Conduct without further penalty, and, if the individual errs again, further action will be taken. This probation will be in effect for no more than two (2) terms.
3. Restrictive Probation: Restrictive Probation results in loss of good standing and becomes a matter of record in the Student's file. Restrictive conditions may limit activity in the Institution Community, including possible exclusion from class(es), program(s), and/or specific campus locations. This probation will be in effect for not less than two (2) terms. Any violation of Restrictive Probation may result in immediate suspension.
4. Restitution: Students may be responsible for paying for damaging, misusing, destroying, or losing property belonging to the Institution, Institution personnel, visitors, or Students.
5. Loss of academic credit or reduction in grade: Imposed as a result of academic dishonesty.
6. Withholding Transcript, Diploma, or Right to Register or Participate in Graduation Ceremonies: Imposed when financial obligations are not current.

7. Suspension: Exclusion from all Institution privileges and activities for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than probation, or for repeated misconduct. Students who receive this sanction must request and get specific written permission from the Institution's President or their designee before returning to campus.

8. Expulsion: stripping a Student of Student status and dismissing a Student from campus for an indefinite period of time. The Student may be readmitted to the Institution only with written approval of the Appeals Committee.

9. Loss of Technology Privileges: Exclusion from all privileges associated with Institution technology access, including but not limited to email and network access and storage.

NOTE: If a student is in violation of the trafficking or distribution of a controlled substance, said student will face immediate withdrawal from the school, and in extreme cases, will be reported to the proper legal authorities.

A summary of federal sanctions is listed below. The legal sanctions provided below are for informational purposes and do not represent legal advice.

HEALTH RISKS & TREATMENT

Information regarding the effects of commonly abused drugs may be found on the internet at www.nida.nih.gov/DrugsofAbuse.html .

Drug and alcohol abuse education programs are offered by local community agencies. The school will post information about such education programs in the department of education.

While care must be taken to ensure that a person is not wrongly accused of drug use, it is recommended that anyone who notes warning signs in either a student or employee contact the school President's Office. If it is determined by the school President that a student or employee is in need of assistance to overcome a drug problem, he/she may be advised on the need to seek assistance. The cost of such assistance or treatment will be the responsibility of the student or employee. Records of such counseling will remain confidential.

In certain instances, students and employees may be referred to counseling and/or a substance abuse help center. If such a referral is made, continued enrollment or employment is contingent upon attendance and successful completion of any prescribed counseling or treatment. Students or employees who are seeking treatment for a substance abuse problem may contact the President's Office. Confidentiality will be maintained.

Students facing drug and alcohol issues may contact the BackOnTrack EAP- A Service of Gateway Rehab (24/7-365) at 1-800-472-1177.
